

# Lyall Bay School

Friday 9 December

Dear Parents/Caregivers

## 2012 Camp Newsletter Number 3

As you are aware we will be holding our biennial camp in 2012. This third newsletter is designed to give you updated information about the camp. We strongly suggest that you keep this and further newsletters in a safe place as they will provide you with all information you need to know about camp.

**At the end of this week, there will only be three school weeks left until camp!**

Remember that you can start paying for your child's camp fees now. Kathy will accept part payments. Fees for camp cost \$165.00 minus chocolate fundraising.

Thanks to all those parents who have returned the Camp Consent Form and Health Profile. If you have yet to do this, it is imperative that these forms are completed and returned to school by Monday December 12. These forms are available for download from the school website [www.lyallbay.school.nz/camp.html](http://www.lyallbay.school.nz/camp.html)

### **Parent help during camp**

We require a number of parents (last camp we had 12) to stay out at El Rancho with the children and staff to assist with camp activities and duties. If you are **interested** in staying over and helping us, please complete the form below and return to school by December 14.

Regards

Clint Chalmers  
Deputy Principal
