This is such an exciting week for us, getting to share all the wonderful learning that has been happening for your tamariki. These conversations are designed to help tamariki, whānau, and kaiako to have a greater understanding of the learning that is taking place and how we can work together to 'Build the Best Learners Waihangatia ngā Ākonga Tino Pai'. There is the added benefit that tamariki learn to demonstrate evidence of their learning, learn about the process of reflection and self-evaluation, help to develop their organisational and oral communication skills, and for tamariki to accept responsibility for their own learning. Bookings are for more than one whānau at a time. Kaiako are always available to chat, but if you wish to speak with kaiako about something other than learning, please make an alternate time. See more information in the panel on the right.

For **Te Wiki o Te Māori** last week there was so much happening around the school. Many tamariki took part in Tū Mātou Ora session last Friday as well as making poi brooches. A huge kia ora to those who helped to make this happen, especially Riana Todd.

Welcome back to Neo Bruchhaus who returned to us this week. We know your time at Lyall Bay School will be the Best!

Electives have been a big hit with all our ākonga. Huge thanks to members of our community who have been supporting us with being able to offer a wider range of activities. Here are photos of our sewing group, with Rachel Katz and Hayley Smith, who have finished making bags with the letter of their name.

We have opened our **ballot** for out-of-zone enrolments. The ballot closes on 21st October at 5pm. More information is on our website.

A reminder that next Monday is a **public holiday** in memorial to Queen Elizabeth II, so school will be closed on that day.

Ngā mihi
Melanie
