Talofa:

We shared via HERO last week the opportunity for whānau to come and have a Hub Tour on the 28th Feb or 2nd March. We are excited that we will be able to see you in person, but being at Red does mean we have to put some protocols in place. We ask you to wear a mask, sanitise, scan and socially distance. The groups will be no more than 10, so if more than one of you is attending, please sign up for each person. We also ask that tamariki don't come along, which is totally different to usual. This is to keep the groups small and to help eliminate the risk of spreading any infections. If you would like to come, but it is impossible for you to find any child care, please email me and we will support you. You can book through www.schoolinterviews.co.nz password autbb.

You may have heard that COVID has reached the Eastern Suburbs. We have attached a Frequently Asked Questions flowchart for you on HERO. The main points on this are to email principal@lyallbay.school.nz if your child tests positive. This will enable us to organise what is required as soon as possible, and to stay home if unwell.

Update from Board of Trustees

At our last meeting we reviewed the strategic plan. We were impressed and appreciated the work and contribution put in by our community, especially Melanie, who took the decisions made in the planning sessions to put our strategic plan together. There were some suggested changes. Once they are completed the Board will sign the plan off and we're looking forward to sharing the plan for the next three years. A copy of the plan is on HERO for you to view. If you would like to comment on the plan please email principal@lyallbay.school.nz. Your comments will be taken to the next Board meeting. The Board Election is taking place in September this year, rather than the usual time of May. This is because of interruptions from COVID.

The Board reviews policies at each meeting in alignment with the recommended timeline. You can access the policies through SchoolDocs - details were in last week's newsletter. The Board discussed the Reading Recovery programme and the trends coming through for our Huetepara tamariki. We also discussed the wellbeing of our tamariki, kaiako and kaimahi as we started the new year under the Red light setting. Our staff are working to keep hubs separate and plans have been made should COVID disruptions impact our Kura. The Board are going to provide a morning tea this week to show appreciation for our staff's mahi. We reviewed the Audit Plan and were happy with BDO's proposal and approach. There are a lot of plans in place for the Red light setting and we appreciate everyone's patience and queries. We have plans in place for various scenarios and discussions are always happening to ensure that, whatever 2022 throws at us, we're as prepared as we can be. A reminder that meetings are open to our community to attend.

Leolie Rentsch has made the heart wrenching decision to move back to Australia. She will be leaving near the end of Term 1. We will miss all that Leolie brings to Lyall Bay School and wish her well returning home. We have a process in hand to employ a teacher for Maranui and Te Wheke hub. Please remember that if your child is sick, or is not attending school for any reason, please let **the office** know. This is for the **safety** of your child.

Stay well, stay kind
 Melanie Dean, Principal

Piccolo Bass:

Hi from Piccolo Bass! We are a music outreach programme based in Wellington and we are excited to be partnering with Lyall Bay School this year. [Piccolo Bass \(Little Bass\)](#) is designed to make learning the double bass more accessible for all ages and sizes. We have a collection of little basses enabling children as young as 6 to play this brilliant instrument. We had planned to visit LBS and give a little demonstration, but due to the shift to the “red light,” we have gone digital. You can see a brief [introduction to the double bass here!](#) Should your child be interested in learning the double bass, the [Wellington Music Education Trust](#) has a collection of double basses available for affordable hire. Your tutor can visit LBS from the “orange light” to make lessons work smoothly in to your day. You won't have to transport a double bass either, as your tutor can bring the right size to the school for the lesson while your child has a bass to practice at home. Your first 30 minute lesson is free and your tutor is Alanna Jones. You can read more [here](#) and follow the link at the bottom of the page for lesson enquiries. Come join Aotearoa's first mini-bass project!
