Wed 29 June:	Matinee and evening sessions of Te Tīmatanga Production
4 – 8 July:	School-wide Matariki celebrations
Fri 8 July:	Last day of term - finish at 3pm

Kia ora

Gosh, that was a week of weather, wasn't it? Our classrooms are cosy and dry to be able to continue with all our learning programmes, especially preparing for the up-and-coming production. There is a hive of industry in every class and you can feel the excitement building. The performances are getting booked up, so it would be a good idea for you to book as soon as you can, if you haven't booked already. The production is a journey that you will go on, physically moving from scene to scene throughout the school. There is a range of start times, you just need to book one time, but for each member of your group, just as you do for any other performance. Some performances are to be held outside, so please dress for the weather. The matinee performances will mean that the lighting effects will not be as effective, but you will see all live performances. For the evening sessions, our youngest tamariki from Ahu will be movie stars. Matinee sessions start at 12.45, 1.05, 1.25 and 1.45pm. They run for approximately 1 ½ hours. Evening sessions run for the same length of time and start at 4.55, 5.15, 5.35, 5.55 and 6.15pm. You will receive your tickets prior to the performance, but can book through www.schoolinterviews.co.nz using the code **sgewz**. On the poster there is a link or a QR code you can use as well. We would like to thank all the volunteers who have been helping us out. If you are able to help please let us know, via either classroom teachers or at principal@lyallbay.school.nz. A big thank you to NW Group who have come forward and offered all lighting and sound (as well as techs to help us). This is amazing, as it is not about just one space to work with, but many spaces. We are very grateful. If you would like to find out more about NW group here is a link [NW Group | Exceptional audio, lighting & visual event solutions.](#)

We wish our **Cross Country representatives**, Millie, Max, Rufus and Floyd at Regionals the best of luck for their competition next week. You all did so well at EZ and we know you will be amazing at this next level too.

Ahu, our New Entrant space, has finally been accepted by the Ministry for its upgrade. This is great news. Part of this upgrade is for **weather tightness**. If you have been in there lately you will know we need that! It is also being **renovated** to be more conducive to our youngest tamariki. This work will start at the beginning of Term 3, so there will be some disruption to parking (apologies) with builders' vehicles needing to park close to the gate. Ahu tamariki with kaiako will be moving into the hall. We will keep you updated on the progress of this project.

We continue to have tamariki testing positive, so please continue with encouraging your child to **wear a mask** at school, sanitise or wash hands thoroughly, and stay home if unwell. If your tamariki test positive for COVID please email principal@lyallbay.school.nz. Please remember that if your child is **sick**, or is not attending school for any reason, please let **the office** know.

Friends of Lyall Bay School are meeting tonight via Google Meets. The link is here if you are able to attend. <https://meet.google.com/ace-bner-jyf>. The meeting starts at 7pm.

Yesterday all Kaiako attended a Kahui Ako meeting with all other Kaiako in our area. We are focused on continuing our learning from the Bicultural Hui we all attended in April.

Noho ora mai, Melanie.

Community Notices:

Earn Some \$\$\$ - Delivery Jobs Available:

Want to earn some pocket money and/or get paid to exercise?

GenX Distribution is looking for local deliverers to deliver a new community newspaper and real estate circulars to letterboxes in the Lyall Bay/Melrose/Kilbirnie/Rongotai areas. Deliverers must be at least 10 years old (younger children may apply with parental assistance). Adults are also welcome to apply!

Background: GenX Distribution used to manage the distribution of the Cook Strait News in your local area.

For further information, please contact Michelle McGuire – michelle@genxbuilder.co.nz or text 027 230 6191.

Yael's Guitar Lessons for Kids:

Fun, one-on-one, personally tailored lessons.

- * Learn at your own pace
- * With music of your own taste
- * Convenient online lessons

Contact Yael Gezentsvey on 021 324 040 or email

yaelsinguitarlessons@gmail.com

Violin Lessons for Children:

My name is Antonia Grant and I am taking on new violin students for Term 3 2022, ranging from beginner to intermediate level. My private practice is based on Thane Road in Roseneath.

I have extensive experience in teaching young students and coaching more advanced groups. Playing solo and in ensembles has also been a lifelong passion of mine.

My teaching philosophy aims to keep lessons fun and engaging. Lessons include a combination of musical games and technical focus, depending on my student's needs and personality.

I enjoy teaching both children and adult students ... you might like to learn alongside your child!

If you are interested in lessons, feel free to email me or give me a call. Antoniagranto@gmail.com or 027 514 1999.

South Coast Sea Level Rise Information Evening:

A coalition of south coast residents has invited the scientists that have just published findings on sea level rise to come and talk about their findings. This is a great opportunity for any residents and business owners on our south coast to listen to this information as presented by the scientists themselves, not an edited version from Councils or Government.

SEA LEVEL RISE AND THE SOUTH COAST

SAVE THE DATE

KIA ORA SOUTH COASTERS

The release of the New Zealand SeaRise project report has injected real urgency into climate change adaptation for coastal communities. Come and hear directly from the authors of this report and the Climate Change Minister James Shaw.

Hear about our Wellington sea floor dropping and our sea level rising at a combined rate of double previous estimates. This means the threat to our coastal communities, roading, and other infrastructure is looming fast and will have serious impacts on access to insurance, mortgages, resale and most importantly, human health and safety and long term viability. Two swell warnings in the space of a week in May this year are a stark reminder of the challenges we face as coastal communities.

ACTION IS REQUIRED

Residents associations from Ōwhiro Bay, Island Bay, Houghton Bay, Lyall Bay, Moa Point and Breaker Bay, and other community groups, such as Guardians of the Bay, working together as the Coastal Climate Change Coalition, have collaborated to host a meeting where you, the coastal community. This korero will be the first steps in our push for a coastal adaptation and mitigation strategy for the South Coast of Wellington.

BE PART OF THE ACTION

Meeting is Wednesday 29 June from 7.00pm until 8.30pm (doors open 6.30pm).
Venue is Wellington South Baptist Church, 284 The Parade, Island Bay.

We will have more details for you soon. Please save the date.
If you have questions about the event please contact owhirobayresidentsassoc@gmail.com

SEA LEVEL RISE AND THE SOUTH COAST

SAVE THE DATE

Hear from:

- Minister of Climate Change Hon James Shaw
- NZ SeaRise lead scientists Dr Tim Naish and Dr Richard Levy
- Mayor Andy Foster
- WCC Climate Change Adaption Team

Wednesday 29 June
Wellington South Baptist church
284 The Parade, Island Bay
7.00-8.30 (doors open 6.30)

Bought to you by the Coastal Climate Change Coalition

Friday Night Dads' Club:

Our Friday Night Dads' Club fortnightly get together and recommence this Friday, from 8pm at Lyall Bay Bowls Club (Apu Cres). We have over 150 dads of the school in our Dads' Club group, but we are always looking for more! So, if you have never come along before, please come and join us on Friday night. Pool, darts, table tennis, sport on the big screen, and a chance to relax and socialise with other school dads of the area and connect with your community. For more information, contact Shaun 027 627 4204 or Karl 027 444 4903, or for further details join us on Facebook (Friday Night Dads Club).
