Rātū 30 Hereturikōkā 2022

Bonjour

Our electives over the last four weeks were a big hit. All tamariki had the opportunity to choose an elective that suited them, and then to work with tamariki and kaiako from across the school. We also had some whānau join us to take small groups for gymnastics, coding and cooking. If you would like to offer to work with a small group or support an elective, please email Henry Gaskin (henry.gaskin@lyallbay.school.nz). The new set starts in a week's time.

Next week all kaiako are attending some workshops on [Aotearoa New Zealand Histories in the New Zealand Curriculum](https://aotearoahistories.education.govt.nz/), along with kaiako from across our Kahui Ako. This is so we can 'cross pollinate' all our ideas, innovations, knowledge and understanding of this new aspect of the Social Sciences curriculum. It is the first in a line of reviewed curricula and is based on a new model of 'Understand (Big Ideas), Know (Contexts) and Do (Inquiry Practices). If you want to know more about ANZH then you can click here <https://aotearoahistories.education.govt.nz/>

Some other professional development our kaiako have been taking part in is working with Longworth Education to support us with [Learning Through Play](#). Longworth Education have been giving feedback to kaiako, after conversation and observation, on how we can improve our practice so we continue to Build the Best Learners Waihangatia ngā Ākonga Tino Pai. This approach to learning is founded on sound research and the following principles: Learning through Play is a developmental and culturally centered approach to a child's learning; Learning through Play promotes agentic learning and allows equity of

Welcome to Zion Woods who started this week.
We know your time at Lyall Bay School will be the Best!

access to the New Zealand curriculum for all learners, regardless of their culture, gender, or ability; Classroom teachers support, scaffold, and gift new knowledge using intentional teaching methods while honouring the knowledge and skills students bring to their play; Learning through Play provides opportunities for learners to engage in processes of curiosity and inquiry, and as such cannot be segregated into isolated subject areas. (Dr Sarah Aiono Longworth Education)

We have opened our [ballot](#) for out-of-zone enrolments. The ballot closes on 21st October at 5pm. If you know of anyone wanting to enrol, please let them know. Information is on our website, or you can call 939 9112 or email principal@lyallbay.school.nz.

Ngā mihi nui, Melanie

Dates for your Diary

- Tue 13 Sept: FoLBS meeting
- 20 & 21 Sept: Learning Conversations
- Fri 30 Sept: Last day of term 3, finish at 3pm**

Board Meeting Update from August 8th

The board met at the beginning of August. This was the final meeting for the current board members. We farewell Caitlin Sowden from the board and thank her for her insight and forward thinking during her time. Each meeting the board reviews current policy. We are working our way through the Health and Safety policy. The board discussed putting an 'out of zone' ballot in place. This was agreed upon and information will be sent out to the community. Whole school mid-year data was presented to the board. We are tracking similarly to previous years, even with the interruption of COVID to many of our learners. It was noted that our Year 0-2 learners have only ever been at school during a pandemic. There has been a focus on well-being and Learning Through Play is part of that. We also have counselling available as part of the Kahui Ako. The board discussed the strategic plan goal of āwhinatia – connect learners and community. Ideas of how to advance this will be brought to the next meeting. Well-being is on the agenda at each meeting. The actions that are put in place are shared. One aspect that was discussed was if tamariki come to school with no food, how do we look after them? Whānau are rung and if they can't bring any food we have food available, such as a cheese toastie, for anyone who does not have food at school. The board approved that kaimahi could have a paid well-being day, full-time kaiako have this same option. The Ahu renovation is ready to start. The board would like to thank everyone involved in getting this off the ground. The next meeting is on Monday, 12th September.

Community Notices:

Wheels Day & Wheels Disco:

Friends of Lyall Bay School are getting excited! **'Warm up your Wheels, Get Ready to Roll'** this Friday, 2 September - gold coin donation.

The main event - **'Wheels Disco'** at the Kilbirnie Rec Centre, Friday, 9 September - free entry, free face painting, BYO wheels or hire for free, with thanks to Six Barrel Soda for providing yummy drinks.
