Thank you for making the time to celebrate your child's learning with the Kaiako and your child. We offered two options to connect: in person and via Zoom. We know that strong home-school partnerships have a positive impact on student learning and wellbeing. If you were unable to attend the learning conversation, please contact your child's teacher to arrange a time to meet up and celebrate.

Timely Comments continue to be published on HERO. Please check your child's **Report 2021** page to see their current learning goals and comments.

Today our **School Assembly** was hosted by Taniwha hub and presented over our school radio **Maranui FM**. Although this is not our usual way to meet as a school community, we are fortunate to have resources that enable our students to develop skills as **Communicators, Collaborators, Critical Thinkers and Creators**. During the assembly, we were reminded of the learning that has taken place throughout the term and the achievements of our tamariki. We are so proud of our students, our staff and you, as whanau, for the resilience shown throughout this term. We hope you have a restful and safe holiday.

Amanda and I would like to take this opportunity to acknowledge the hard work and support of the staff while Melanie has been on sabbatical leave. We are grateful for the opportunity to lead a fine team of educators and support staff who care deeply for the tamariki of Lyall Bay School. **Ki te Kotahi te kākaho, ka whati; ki te kāpuia, e kore e whati** (*If a reed stands alone, it can be broken; if it is in a group, it cannot*).

World of Wearable Arts – Sustainability

Hautonga hub curated and produced a World of Wearable Arts Show last week and, although our Level 2 restrictions impacted having a big live audience, the school and families were able to join in the celebration via Zoom. We are so proud of the creativity and collaboration that our year 5 and 6 learners showed to design such wonderful outfits. Mīharo Hautonga!

Creatives in School

Ellen Coup has been working with Huetepara to develop a mural that will soon be painted on the main entrance wall by the school hall. Next term Ellen will begin working with Maranui and Onepū to create two more murals that help tell our Cultural Narrative. We are so lucky to have a talented artist working within our school and are looking forward to telling our stories to all our families and friends.

Chil Book – Fundraiser for Wellington Hospital Foundation:

CIB CHIL BOOK

We are Year 13 students from Wellington College taking Business Studies this academic year. In partnership with YES (Young Enterprise Scheme), we have developed the company 'Chilbook'. Our business products include an illustrated children's book 'Covi the Monster' and an exclusive activity book. Our work focuses on children's mental health and understanding of the current pandemic. The picture book and activity book come together at the price of \$20. We have a partnership with the children's hospital so all our profit from sales go towards the Wellington Hospital Foundation.

If you are interested, please contact us through the following by the end of October:

Don't forget to renew your 2020 membership as it comes to a close. If you haven't had an Entertainment Book before, this is a great way to support your favourite local businesses to get back on their feet or try some new experiences and save some money in the process. A great way to treat yourself or the kids during the school holidays. There are thousands of 25%-50% off or 2-for-1 offers on all sorts of activities, shopping, dining and travel. You only need to eat out twice to have covered the cost of the book, so everything else is a bonus! This year we are fundraising towards new furniture for some of our classrooms. Check it out at www.entbook.co.nz or order at: [Lyall Bay School \(entdigital.net\)](http://Lyall Bay School (entdigital.net)) Please support us.
